Welcome 2012! I hope you all had a very relaxing and restful winter break.

Now that we have reached the mid-point of our school year, I will be focusing more on getting your child ready for middle school. There will be fewer reminders, and I will expect more responsibility on your child's part. Students are still required to use their student planners and homework will continue to be posted on my website.

Please feel free to email me if you have any comments, questions, or concerns.
